**AMEND Senate Bill No. 453\***

**House Bill No. 946**

by deleting SECTION 5 of the bill in its entirety and substituting instead:

SECTION 5. TSIN shall make available to all middle schools in the state educational materials to educate students on the variety and benefits of STEM careers. The materials shall:

- (1) Emphasize the benefits of STEM careers in helping people;
- (2) Not be limited to science classrooms, but be applicable in multiple classrooms;
- (3) Provide information detailing the marketable skills that individual students may acquire through STEM education; and
- (4) Be available through the Internet so that rural schools may easily access the curriculum.
